

# Aliff Consultants

**A**liff Overseas Consultants has successfully targeted these common men market and made a tremendous mark and reputation for itself by offering quality of European education at the most reasonable and affordable price. Aliff Overseas Consultant's vision is to assist the average student to fulfill his desire of making a fruitful career through study abroad. Aliff Overseas is primarily promoting Hotel Management, Culinary Management (chef program) and MBA in Switzerland.

Why Switzerland ? Because It is a world renowned and most prestigious place famous for Hospitality & Tourism Industry (hence get educated from hotel industry experts)

World's 30% Financial activities alone take place in Switzerland. Country's 50% G.D.P. comes from its companies operating world wide. It also houses world's renowned financial institutions and banks. (Hence MBA in Finance & International Management are surely recommended

programs from Swiss financial professionals)

Aliff Overseas Consultants deals with limited but highly reputed Swiss Govt. recognized institutes like Business & Hotel Management School, Luzern and University of Business & Finance Switzerland, near Zurich, Switzerland. Apart from being economical the courses are highly practical. Student can work full time during internship (Job) and earn up to Rs.75000/- p.m. (CHF 2075) Internship is guaranteed by the colleges which may last up to 06 months in each academic year. Aliff Overseas Consultants does not charge anything to the student for its services being an Exclusive Educational Counselor (not Agent). It offers free counseling to student and parents to understand the nature of course and benefits of it based on the student pass academic record, overseas admission, education loan, fee transfer, visa documentation assistance, foreign exchange and air tickets at the most reasonable price, overseas airport pickup and many more

for no extra cost. Most Importantly, Aliff Overseas Consultants takes NO ADVANCE FEE for Hotel Management related courses.

At present, Aliff Overseas has got its presence through 9 offices in more than 5 states in India and looking to reach out as many common people as possible to fulfill their desire of Studying Abroad @ Indian Cost. It ensures a good job placement on course completion and successful career for its recruited students through quality of European education and practical international exposure. Aliff Overseas Consultants has got exhaustive list of satisfied students / parents in and out Switzerland for open references.

So ...Let's Go ...Let's Grow
